DALTON BALLET STUDIO

2024-2025

Dear Parents and Students,

Welcome to Dalton Ballet Studio. I hope you're having a wonderful, relaxing summer, and are ready to begin an exhilarating year of dance. We're looking forward to meeting new students, and seeing familiar faces. We're excited to embark on another season full of creativity, refinement, and growth.

The Dalton Ballet Studio offers a variety of classes for all ages and abilities. Through professional training, the students will improve technique, gain strength and flexibility, and acquire musicality. I am also interested in developing the inner dancer. Students will learn to refine performance skills, build confidence, and use the art of dance for physical and emotional growth.

I'm so happy to have Christianna Kavaloski and Kaitlyn Houghtaling returning this year to share their passion and love of dance with you again. We look forward to seeing you soon.

Sincerely,
Michelle Noel Furlong
